

Product information

Concerning: Molift

Logistic Set-up Molift Raiser Pro and accessories

Molift Raiser Pro and accessories will now be sent from factory in Poland. Please order these the same way as other Molift products, either to Molift@etac.com or directly ordering in M3.

DK, NO and SE still deliveries from Anderstorp

CCR (Customer Complaint Report) routine Molift

Please send all CCR's to Molift@etac.com and use the attached updated template. Also remember to fill in the text in English. This will replace the current "NCR" template.

Technical related questions

For technical questions, you are welcome to use either Molift@etac.com or send your question to Brian Engelbrecht, brian.engelbrecht@etac.com

Ordering of slings

Please send all orders on slings to Molift@etac.com or directly ordering in M3. Slings will still be sent from Sweden, but order handling will change to molift@etac.com

Above is active from today.
