Information regarding installation of Molift Air and Molift Nomad in rail systems from other manufacturers.

When using Molift ceiling hoists in other manufacturers rail system, please observe the following important points:

1. Our (Etac/Molift) warranty is applicable only on parts delivered from Etac/Molift;
Trolley, Motor unit, Sling bar and Sling.
2. Etac is not responsible for warranty on existing rail system from other manufacturers.

In addition, please read carefully Point 5, 6 and 7 in the Molift Rail System installation guide.
