

EU DECLARATION OF CONFORMITY

Manufacturer	Etac A/S Parallelvej 3 DK-8751 Gedved Denmark																												
SRN	DK-MF-000017724																												
Statement	This EU declaration of conformity is issued under the sole responsibility of the manufacturer. The device(s) covered by present declaration is/are in conformity with EU Regulation 2017/745 on medical devices.																												
Basic UDI-DI	57079957ES																												
Device description	Ceiling hoist systems																												
Intended purpose	The ceiling hoist is an assistive device intended for alleviation of, or compensation for, a functional impairment due to an injury or disability. The device is designed for an individual lacking the ability to stand up and transfer themselves to/from a bed, the floor, a wheelchair, a chair, a toilet or similar due to reduced mobility or physical strength. The device can also be used for gait-training activities.
