The Mustang is measured as standard delivered and with the center bar in vertical position. Different settings may result in another set of measurements. To accomplish some of the measurements above, a slight adjustment might be required. We supply various types of accessories, which is why the weight is listed without.

## Mustang Standard Features

- Four Sizes with Four Solid Wheels
- Drag Wheel Function
- Reverse Brake On/Off
- Directional Stabilizer
- Angle Adjustment
- Height Adjustment
- Chest Support, Height/Width Adjustable
